TO WHOM IT MAY CONCERN:

Over the past two years this company has undertaken a number of major restoration jobs on the two (traditional) houses I own. These tasks- indoor and outdoor- have involved rebuilding walls, floors and bathrooms, electrical, drains, roofing, driveways, painting, custom fences, and extensive (beautiful!) stonework. I've been particularly impressed with this company's willingness to follow up on all the demanding details of each project.

It has been- and continues to be- a delight to work with Robert, his son Robert Jr., and such a responsible and intelligent group of craftsmen.

As a satisfied client of ROBERTS CONSTRUCTION COMPANY it's a pleasure to recommend Robert Giordano and his exemplary staff for their excellent work, unfailing courtesy, fair pricing and complete dependability.
